

KINDILAN

THE PGL EXPERIENCE

At PGL, we understand that for some children, coming on camp can be a stressful time. We aim to make the transition to camp as smooth as possible for both teachers and students, by providing information about our routines on camp, as well as some photos so that students can familiarize themselves with the camp prior to arrival.

We believe that the camp experience should be accessible and enjoyable for all, so please contact us in advance of your trip if there is anything further you believe would benefit your students' stay here at PGL. Our staff are also available to talk to during your stay to ensure a rewarding experience for yourselves and your students.
